

SerialComms::getComPorts
Enums

```
graph LR; A[SerialComms::getComPorts  
Enums] --> B[PortsClass::setVendorID]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a red border and contains the text 'SerialComms::getComPorts' on the top line and 'Enums' on the bottom line. The right box has a black border and a light gray fill, containing the text 'PortsClass::setVendorID'. A dark blue arrow points from the right side of the left box to the left side of the right box.

PortsClass::setVendorID
