

MainWindow::captureImage

```
graph LR; A[MainWindow::captureImage] --> B[MainWindow::drawCalibrationLines]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a red border and contains the text 'MainWindow::captureImage'. The right box is gray with a black border and contains the text 'MainWindow::drawCalibrationLines' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
