

MeasuringInterface  
::on\_removeScaleButton  
\_pressed

```
graph LR; A[MeasuringInterface::on_removeScaleButton_pressed] --> B[MeasuringInterface::updateFrame];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'MeasuringInterface::on\_removeScaleButton\_pressed'. The right box is white with a red border and contains the text 'MeasuringInterface::updateFrame'. A blue arrow points from the right side of the gray box to the left side of the white box.
