

MainWindow::on\_ringLeftUp  
But\_pressed

```
graph LR; A["MainWindow::on_ringLeftUp<br/>But_pressed"] --> B["SerialComms::sendData"]
```

A diagram showing a call from the function `MainWindow::on_ringLeftUp` (with the parameter `But_pressed`) to the function `SerialComms::sendData`. The call is represented by a blue arrow pointing from the left box to the right box.

SerialComms::sendData
