

SerialComms::connectToSerial

```
graph LR; A[SerialComms::connectToSerial] --> B[SerialComms::initSerialComms];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a red border and contains the text 'SerialComms::connectToSerial'. The right box is gray with a black border and contains the text 'SerialComms::initSerialComms'. A dark blue arrow points from the right side of the left box to the left side of the right box.

SerialComms::initSerialComms
