

MainWindow::loadGUISettings

StartupDialog::loadSettings

UserSettings::loadSettings

```
graph LR; A[MainWindow::loadGUISettings] --> C[UserSettings::loadSettings]; B[StartupDialog::loadSettings] --> C;
```

The diagram illustrates a dependency or call relationship. On the left, two rectangular boxes with red borders contain the text 'MainWindow::loadGUISettings' and 'StartupDialog::loadSettings'. On the right, a rectangular box with a black border and light gray fill contains the text 'UserSettings::loadSettings'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box, indicating that both 'MainWindow::loadGUISettings' and 'StartupDialog::loadSettings' call or depend on 'UserSettings::loadSettings'.
