

MainWindow::init

```
graph LR; A[MainWindow::init] --> B[MainWindow::resizeWindow ToScreenSize]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a red border and contains the text 'MainWindow::init'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is gray with a black border and contains the text 'MainWindow::resizeWindow ToScreenSize'.
